

JUL 28 REC'D

Dear Ed:

July 22, 1969-

Gives you wondered why I did not send in this year's N.C.W. Scrapbook -

I had really worked hard on it, and feel that it was as good as, and probably better than last year's - but I just could not get it all completely put together - been a bit "under the weather" at wrong times and other reasons. Anyway, since I did place first last year, some one else really should have had their chance this year - perhaps I'll try again next year - and whether I send in a book or not, I'm damned sure going to do my best to promote N.C.W.

Enclosed are copies of 3 proclamations which I asked for and had passed -

X If not too late, would like to get certificates of participation for the two mayors and the Governor - I'd like to give them to the mayors myself -

I posted the 50 red N.C.W. cards
everywhere I could - and got quite a
bit of publicity for N.C.W. - and talked
it up wherever I appeared -

I thought of sending in my book
non-competitively, but figured that you
would not be interested -

If you happen to have an extra certificate
of participation, I'd like to have one
myself -

Hope to see you in Philadelphia next
month -

Best personal regards -

Sincerely,

Val Pasvolik -
